Dear Barry:

You are an encourager of people, a friendly kick in the pants, an energizer, a speaker who lives life loudly and were the perfect keynoter for the FCSI Annual Conference. We couldn't have asked for a better opening to our meeting.

As a 50 plus year participant in food service you made me proud of my longevity and the contributions I've made to the industry. It was a thrill to be honored by you and the audience. As you suggested, I've taken it as a personal goal to share my experience with new people coming into the business.

The time went so fast I could have spent another two hours listening to you. Barry, you have a passionate style that wasn't intimidating. We stayed involved even when you were challenging us to think differently, get unstuck and execute our plans.

It was impressive how well you knew us and the food industry. Obviously you spent a lot of time preparing and learning about us and we certainly appreciated the effort. You shared ideas that will help us sail past the competition.

Sincerely,

CINI-LITTLE INTERNATIONAL, INC.
